

KIDS MENU FOR LITTLE TUMMIES

Look out for the Thumbs Up 👍 – this means that our nutrition team has made sure that the preparation methods and ingredients are especially good for growing kids, like you.

"Hey kids,

Staying at the Novotel is the best! Look at all these delicious meals we have created just for you! I'm a pro surfer and lover of all sports, so I know that choosing a 'Thumbs Up' option from the menu will give me all the energy I need to keep surfing the waves. I can't wait to see what you choose."
